SUMMARY

Aspiring Full Stack Developer skilled in both front-end and back-end technologies. Actively learning and contributing to projects with a focus on integrating seamless user interfaces with robust server-side functionalities. Eager to leverage a fresh perspective in a collaborative environment to innovate and drive success.

PROJECT

Cinema Booking System

College project • github.com/nikhilmishra111298-bot

- Developed an innovative cinema booking system integrating Artificial Intelligence (AI) and Blockchain technology to enhance the movie-going experience. The system provides moodbased
- movie recommendations, dynamic ticket pricing, and smart seat suggestions using AR/3D
- visualization. Blockchain ensures secure, transparent, and tamper-proof NFT-based ticketing,
- eliminating fraud and enabling seamless ticket transfers. Additional features include user
- authentication, AI-based crowd estimation, AR seat selection, and voice-enabled booking, accessible
- through a responsive web dashboard and mobile application.

Employee Attendance Voice Tracking System

- Designed a modern attendance management system using Artificial Intelligence and voice recognition technology to overcome limitations of traditional biometric, manual register, and swipe- card methods.
- The system offers a secure, contactless, and efficient attendance solution by authenticating employees through voice biometrics.
- Employees record attendance by speaking into the system, which automatically verifies identity and marks attendance, reducing administrative overhead and preventing data manipulation.

Credex AI Spend Audit Platform

github.com/nikhilmishra111298-bot

- Built an AI-powered web application that analyzes company AI tool spending and provides smart recommendations to reduce unnecessary costs using modern frontend technologies and interactive dashboards.

EDUCATION

Bachelor of Science in Computer Science

Thakur College of Science and Commerce • Kandivali, Maharashtra • 2025 • 5.25 CGPA

12th

Sanskriti High School & Higher Secondary Jr College • Nagzari, Boisar, Maharashtra • 2022 • 65%

High School & Jr Certificate

Shanti Ratan Vidya Mandir High School & College • Boisar, Maharashtra • 2020 • 70%

CERTIFICATIONS

Employability Skills and Placement Training

TNS INDIA FOUNDATION • 2025

MS-CIT

NCAT Certification

AWARDS & HONORS

Runner-up in University-level Volleyball Tournament

Mumbai university • 2022

First Prize at National Level in Rock Ball

First Prize at State Level in Volleyball
2019

SKILLS

Python (flask), HTML, CSS, JavaScript, SQL

Frontend

React.js

Next.js

Tailwind CSS

Backend

Node.js

Express.js

Database

Mysql

Mongodb
